

Unifying Dubai's Healthcare

Policies and Standards

September 2020 (v1.0)

SECTION 10: Interoperability and Data Exchange Standards

1. Purpose

- 1.1. To assure provision of the highest levels of access, quality, health status and efficiency in health sector in the Emirate of Dubai.
- 1.2. To assure facilitating the efficient flow and exchange of information among subject of care, healthcare providers, funders and health regulators with a focus on transparency and confidentiality and a balance between standardization and autonomy.
- 1.3. To assure widespread adoption of NABIDH HIE.

2. Scope/Applicability:

- 2.1. Providing necessary NABIDH standards for implementing and managing HIE among DHA licensed healthcare providers in the Emirate of Dubai.
- 2.2. These NABIDH standards are applicable to Healthcare Facility in all DHA licensed health facilities of public and private sector in the Emirate of Dubai to achieve widespread adoption of HIE.

3. Standard statement:

- 3.1. Standards used to share clinical information such as clinical summaries, prescriptions, and structured electronic documents.
- 3.2. All HealthCare Facilities have to be in compliance with NABIDH Published standards.

Standard	Name of the standard	Publisher
HL7 V2.x	Health Level Seven Version 2.x	HL7 International
