Can I leave my home to get the test done during the National Disinfection Programme in Dubai?

Yes you can. If you are stopped by a police officer, you can show them the confirmation text message you received. If your car was pictured by a radar, you can send the text as proof that you have a valid reason to leave the house, at a later time.

Please make sure to follow precautionary guidelines that include wearing face masks and gloves when leaving the house. Also make sure that you do not have more than three passengers in one car.
When and how will you receive the test results?

You can view your results by downloading the DHA app and clicking on “Patient Services” then “Lab Results”. The results take a maximum of 48 hours to be released.

What should I do if my result is positive?

Don't panic, isolate yourself at home and avoid interacting with others. The DHA team will contact you to do the necessary. If you were not contacted within 24 hours after receiving the positive result, then you may call 800DHA (800342)
