A smartphone screen displaying a mobile application interface. At the top, there is a back arrow icon and a logo consisting of a green and blue star-like shape. Below the logo, the text "Want to add dependents?" is displayed in a bold, white font. The main content area is a light gray card with the heading "Add your dependents to manage their DHA services". Below this heading, there is a paragraph: "If you have your Health Card (Medical Record Number) please link it now". This is followed by two input fields: "HEALTH CARD (MRN) NUMBER" and "YEAR OF BIRTH", each with a placeholder text "Enter Health Card Number" and "Enter Year of Birth" respectively. Below the input fields, there is a paragraph: "Dependents can be your family members who's health profiles you'd like to manage from your DHA account. You can add them later in settings as well." At the bottom of the card, there is a checkbox labeled "Accept MyChart Terms & Conditions". Below the checkbox is a large green button with the text "ADD DEPENDENT". The smartphone is shown with a dark blue case and a home indicator bar at the bottom.
