CPD points are to be distributed based on the following Examples:

If there is a program with 3 Lectures of 3 speakers (Speaker A, Speaker B, Speaker C) and the agenda with points is as follows:

Program Duration	Lectures	Speakers	CPD Per Lecture
08.00-09.00	Lecture 1	Speaker A	1CPD
09.00-10.00	Lecture 2	Speaker B	0.25CPD
10.00-11.00	Lecture 3	Speaker C	0.75CPD

The total CPD points allocated for the full program is 2CPD.

- If the speaker A has attended the full program, he/she shall receive 2CPD (for attending the full program)
- +1CPD for his/her lecture.
- If the speaker B has attended the full program, he/she shall receive 2CPD (for attending the full program)
- +0.25CPD for his/her lecture
- If the speaker C has attended the full program, he/she shall receive 2CPD (for attending the full program)
- +0.75CPD for his/her lecture.
- If the speaker A has delivered only his/her session and did not attend the full program, he shall receive 1CPD + 1CPD for his delivering his/her lecture.
- If the speaker B has delivered only his/her session and did not attend the full program, he shall receive 0.25CPD + 0.25CPD for delivering his/her lecture.
- If the speaker C has delivered only his/her session and did not attend the full program, he shall receive 0.75CPD + 0.75CPD for delivering his/her lecture.
